Sweepstake Kit

How to play

1. Choose your sweepstake. It can be absolutely anything, such as a sporting event or something relevant to your office or group of friends.

2. Fill out the boxes below with all the teams/players/answers or equivalent relevant to your sweepstake.

3. Cut out the boxes, fold them up, and put them in an envelope.

4. Ask your colleagues and friends to draw at random for a suggested price of £3 to create the prize pot.

5. Make a note of who has picked what on the poster provided.

6. When the sweepstake event is over, award the prize money to whoever picked the winning entry.

7. We would be grateful to receive a donation of half of the overall prize amount, but the winner is free to donate what they wish.

8. You can make your donation online or contact us for a paying in slip.

9. After a donation is made Victim Support will send you a thank you certificate to put up in your office or residence. All you have to do is contact us at fundraising@victimsupport.org.uk and tell us where to send it.
